New Partnership: SEEBURGER & Ikonsultan Inovatama

SEEBURGER AG Announces Partnership with Ikonsultan Inovatama in Indonesia to facilitate Digital Transformation

Bretten – July 11, 2018 – [SEEBURGER AG](#), a global leader in business integration, announced today its partnership with Ikonsultan Inovatama, a company based in Indonesia, providing consulting and outsourcing services, specializing in technology and project and program management areas, particularly for the financial services industry. With this partnership, Ikonsultan Inovatama will be a reseller of [SEEBURGER Business Integration Suite \(BIS\)](#) and related solutions. SEEBURGER BIS is an agile business integration platform to seamlessly integrate all systems, applications, business partners; on premise, hybrid or as a cloud service. With SEEBURGER BIS, secure data can be accessed anywhere in real-time, resulting in higher revenue, profitability and digitalization.

The partnership with Ikonsultan Inovatama will bring stronger SEEBURGER BIS and professional service implementations to Indonesia and beyond.

“In every company, there is a requirement to securely transmit data, with SEEBURGER (BIS), companies gain a secure and reliable transfer of data and the capability to automatically integrate all business processes with customers, external business partners and internal applications. This exciting partnership between SEEBURGER and Ikonsultan Inovatama will bring digitalization to

various industries in Indonesia and South East Asia, and as a result there will be a top-notch level of integration,” said Michael Kleeberg, Co-CEO, SEEBURGER AG.

“Integration is a key element in any digital transformation initiative. Our close involvement with financial enterprises enables us to understand and appreciate the mission critical nature of an agile, singular platform approach to integration. Such an approach, uniquely provided by SEEBURGER, ensures simplicity while addressing integration from a holistic perspective. Our partnership with SEEBURGER enables us to offer SEEBURGER business integration solutions employed by over 10,000 enterprises to address integration needs with the single platform, simplicity that guarantees realization of business and competitive advantages” said Munin Widardjo, President Director and co- founder of Ikonsultan Inovatama.
